EXECUTIVE HOUSEKEEPERS

Hotel carpet cleaning for room release

Plan carpet cleaning by room batch, corridor or reception zone. Give housekeeping and front office a shared record of checkout, access and the next time a London hotel needs each space.

Building and postcode

Room batch, floor or public area

Rooms, carpet or seating in scope

Rooms cleared and released from

Front office needs the area by

Does this route serve occupied rooms?

Agree guest access with front office before closing the corridor.

EXECUTIVE HOUSEKEEPERS

Room-release record

Record the requested release time separately from actual handback. Housekeeping and the contractor should inspect the area and confirm its condition before it goes back into use.

Rooms released by housekeeping

Guest route and luggage access

Front office deadline and duty contact

Actual inspection time and release decision
